August 9, 2017 GRF Report Mutual 4

"In this life, when you deny someone an apology, you will remember it at the time, when you need to beg for forgiveness" Toba Beta

The GRF Board is in full swing. Committees are meeting and sub committees are still forming this month. I'm always glad to look out and see Shareholders from Mutual 4.

Important Town Hall Meeting

The Los Angeles Department of Water and Power will hold a town hall meeting at 1:30 pm, Monday, Aug. 14, in Clubhouse 4. The meeting will cover the proposed two-and-a-half-year demolition project to remove four steam broiler generation units and two above ground storage tanks from the Hayes Generation Station. The most impact will be on the mutuals closest to the demolition site. All of Leisure may be affected.

FDIC funding is going to be a hot topic over the next few months. This comes to the directors every year that I have been on the GRF Board. With new board members, I'm not sure where it will end up this year. Come to finance find out how your money is being invested and spent. Make your position on funds being FDIC insured heard.

Some things that might be of interest to you.

- Moratorium on any new clubs forming due to re vitalization of Clubhouses 2, 3 and possibility of 1. This is in place for 1 year.
- GRF is forming a full plan for landscape replanting outside of the RV Lot.
- GRF is looking into modifications that will help the blind to be able to cross safely in our crosswalks.

Thank you for allowing me to serve you, Mutual 4 GRF Director Corporate Secretary Joy Reed

Infrastructure	\$415,360

Total Reserves \$1,972,947

The CFO Council was treated to a presentation on Reserve Studies from Mutual 12 resident Sharon Woodruff. Share is an ex CFO and mathematician who explained the workings of a reserve study, how to allow for inflation, and the need for a 50 year reserve plan. Very educational.

Working on budget for 2018. Realize it is only August but that is the challenge - get it right so far ahead of time!

BUILDINGS/LANDSCAPE

Buildings have been pretty noisy the last two weeks as a new roof was installed on building 42. I will not miss being awakened at 8:00 am each morning to clanking and rumblings; all part of the process. I few weeks of quiet and then the concrete work on Knollwood begins. Yes it's a pain, but a necessity and we ask for everyone's patience.

Just a reminder: if you put an out of order sign on a washer or dryer please be sure to call me so we can assess the problem and fix it. Also, we ask that laundry room doors be closed if no one in the room - leaving them open allows critters to get in there and often die, then we have to pay to have them removed. Waste of money.

Feel free to call me with any questions. I may not be home but if you leave a message I WILL return the call. 562-296-8518.

MUTUAL 4 BOARD OF DIRECTORS MEETING

President's Report - Wednesday, August 9, 2017

If you want to use the library, the pool, the bus, the golf course, the exercise room, etc., you'd better have your $\underline{\text{NEW}}$ membership card ready to show, or . . . well, you know the rest. You can pick up your $\underline{\text{new}}$ card at the Stock Transfer Office.

We are still short one director. If you would like to share in the leadership of Mutual 4, call me: Bob Slater, (562) 493-2680.

As you read this, we will have 2 asphalt streets replaced with concrete on Knollwood and Weeburn Rds. For those shareholders affected, you may use Clubhouse 2 for parking or you may leave your car in the carport. Know that could be as long as 5 days. Your choice.

If you have landscape problems or questions, call your co-chair:

Suzi Smith, Buildings 37-52: (562) 296-8518 Mike Levitt, Buildings 73-89: (562) 596-1346

Overall it's been a somewhat quiet month for the Mutual.

All for now,

Bob Slater The Prez Mutual 4 Monthly Report for July 2017 Buildings 78, 79, 80, 82, 83 and 84

Things have settled down in the third month. I had some requests from the residents which needed my attention.

We have finished installing the smart burners in our buildings. I want to thank everyone who replaced their old burners with the new smart burners. I know that they are not the same as the old ones, but they are protecting our mutual. I am sure that given a little time you will adjust to the new type of cooking. Again I wish to thank you very much.

Just a reminder, if you are using your BBQ you need to be 10 feet from the building. You are not supposed to be grilling in your patio.

In August we are re-roofing buildings 83 & 84. GRF is also re-paving Weeburn and Knollwood.

I hope everyone has obtained their new ID card.

Tom Gerrity Mutual 4 Director - (secretary) Buildings 49, 50, 51, and 52

Thanks to all the shareholders in buildings 37, 38, and 39. I wasn't your director long but a new washer and dryer were replaced. Your patience on the dryer replacement was noticed and appreciated. Completed a new buyer orientation in building 39. Give the new shareholder a welcoming "Hello". Thanks for all your kindness and delicious zucchini bread. I loved it, so did my waistline.

Buildings 49, 50, 51, and 52 - good to be close to home.

The laundry room looks neat and clean. Completed a pre-listing inspection at 50 E. I've met all the building captains. There are many (Leisure World) years of life experiences with our building captains. I look forward to working with them and all shareholders. Carports are looking good and garden areas looking lovely.

Enjoy the beautiful SOCAL weather,

Tom

Mutual 4 Monthly Report, Dir. Mike Levitt Covering July, 2017, Delivered August 9, 2017

Assisted several times, along with other Board members, in The GRF Great and Glorious New ID Card Snafu.

Met, along with co-chair Suzie Smith, our landscaper in the first of monthly meetings to discuss issues and problems and progress with our new turf, new tree-planting procedures and other issues.

Interviewed/oriented a new Co-occupant in Building 88.

Alerted Service Maintenance to a potentially hazardous walkway defect.

Walked my buildings for locations needing "corners" for next paving project.

Assisted Building 89 resident in getting Smart Burners installed. Listened to complaints from three residents regarding their Smart Burners.

Approved an Official Letter to Building 88 resident requiring installation of smoke detector. Resident refuses to allow such installation. Letter is necessary as phone is disconnected and there is no alternative method to pursue this necessary and legally required installation.

Requested pest extermination services for 'roaches.

Alerted SvcMaint to possible broken underground water pipe at Building 86

Oversaw (possibly correct spelling of past tense of 'oversee?) first planting of trees under new Tree Procedures in which resident requesting planting of a tree gets to choose the tree and is advised of the cost of the tree that the resident will pay.

In June Report, relayed my attempt to mediate on-going dispute between neighbors regarding patio smoking; advised you readers to tune in on July's report for outcome of attempted peace-keeping efforts. Results: utterly failed. Both sides have their "rights" and neither side sees any room for compromise. All I can do is try.

Here's a "Save the Date" for you, folks, if you receive these meeting minutes in time: *August 16*, a major road repaving project is scheduled to get underway. Affected will be Weeburn and Knollwood Roads. A tentative completion date is set for August 24. During that time, residents affected by the torn-up concrete or newly poured surface materials in the carport areas will be allowed to park, without penalty, on either GRF or M-4 streets. Sorry for the inconvenience that I'm sure you will experience, but I'm sure you will agree that these roads are in a horrible condition and would only, and quickly, get worse if this paving project does not take place.

Mutual 4 Director's Report

August 9, 2017

Emergency Preparedness Information and Bldgs. 44,45,46,47,48

This morning the Mutual 4 Board decided to longer use the "Building Captains' Survey Forms." The reason is because these forms ask for your medical information. We have been informed that in California, by law, only authorized medical personnel and governmental emergency personnel may possess or ask for this information. Therefore, please keep your own "File of Life" posted on your refrigerator or inside the door of your medical cabinet in your bathroom. These forms will again become available at the Medical Center in September.

This year's Great California Shake Out will occur on October 19, 2017, at 10:19 AM. Our mutual's plans will change this year. After the building captains meet at building 75, we will learn or review how to turn off the water to our buildings and the sprinklers in the lawns. This would, of course, only be accomplished when we have an extreme disaster, and we see our buildings and units flooding due to broken pipes.

Too many of our neighbors are falling in their units. Please attempt as you are able to pick up objects that may trip you or look at those pesky throw rugs.

Keep safe and have a wonderful remainder of this wonderful California summer.

Respectfully submitted,

Jan Kuhl, Director

46E, 562-446-0082

Mutual Administration Director's Report AUGUST 2017

Copy & Supply Center

The Leisure World Copy & Supply Center is now open in Building 5, adjacent to the Security Satellite Office.

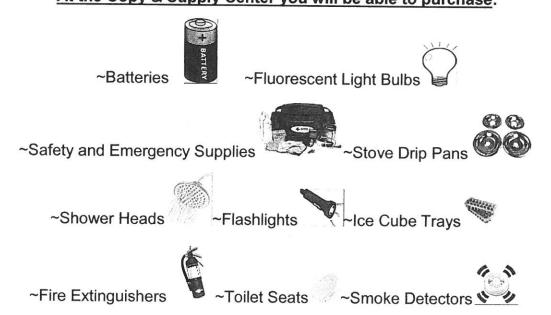

It is centrally located with expanded duplicating services and easy access for residents who want to make photocopies, and purchase other popular items.

Open Monday through Friday from 8:00 a.m. to 4:30 p.m.

Telephone number is 562-431-6586 extension 345.

The Golden Rain Foundation (GRF) is acquiring the new color copier to complement its industry strength black-and-white copier for expanded service.

At the Copy & Supply Center you will be able to purchase:

~Small common replacement parts used in the bathrooms and kitchens, such as

cabinet pulls and range filters

You may also drop off old batteries and light bulbs for proper disposal.

This is great news as these and other merchandise were previously available only at the Golden Rain Foundation (GRF) Purchasing Department.
