Standard Plans and Specifications – Remodeling

1 In February 1974, standard plans and specifications were developed that could be used by all
2 Mutuals in apartment remodeling.
3

4 These plans and specifications, dated January 30, 1987, were reviewed, updated and approved
5 by the City of Seal Beach Building Department on June 19, 1987, and conform to HUD
6 requirements. These Mutual Building Standards Plans and Specifications are on file in the
7 Physical Property Office and copies are available for the use of all Mutual Boards.
